

Sign up today to beautify our school!

Our Martin Luther King Jr. Day of Service will take place on Saturday January 12th, 2019 from 9 am to 12 pm. Together we will work to make our campus beautiful.

At iLEAD we practice leaving it better than we found it, what better way to fulfill that community expectation than to give back during a day of service.

From small clean up projects to simply sweeping the outside of our campus.

We need your help! Let's serve our school and our community during iLEAD's Martin Luther King Jr. day of service.

Bring a friend or bring ten! Join us to give back!
