

Hello Parents/Guardians,

This letter is to inform you that it is a requirement for **ALL incoming 1st graders** to have a Health Examination and Oral Health Assessment completed, or waivers for these assessments and exams signed. **These forms need to be signed BEFORE they start 1st grade here with us at iLEAD Lancaster.** These assessments/exams are required for 1st grade entry but you may sign a waiver for them both if you are not able to get your child assessed/examined or if you just would prefer not to get your child assessed/examined. If you choose not to get them assessed/examined you **MUST sign the waivers before they start 1st grade.**

Attached you will find both forms. These need to be taken to your child's physician and dentist and filled out by them, signed and dated. After they are completely filled out you may drop them off to the front office or the nurse's office, directly with me. **Incoming 1st grade learners that are missing these assessments/exams or waivers will not be allowed to attend classes until we either have the waivers signed or the assessments/exams completed BEFORE the start of the upcoming school year.**

If you are not able to get an appointment for one or both exams before the start of the next school year for your child, please sign the waivers. Also, make sure to let the school nurse know when the appointment date is scheduled. After you have had the appointment and get the forms completed and signed from your child's physician and/or dentist you can bring it in and we will replace the waiver with the completed assessment or exam form.

If you do not recall if you have or have not signed a waiver or turned in an actual assessment or exam form for your child you are more than welcome to ask the school nurse in person or call the nurses office to ask. I will be more than happy to check their records and see if they have these forms already in their file. If you have any other questions or concerns regarding this matter, please do not hesitate in asking.

Sincerely,
Noemi Blanco
School Nurse, iLEAD Lancaster
