

Measure Growth & Build Skills!

Fall MAP testing open until 10/25

MAP (Measurement of Academic Progress) assessments are dynamic, individualized testing experiences that measure what learners know and inform on what they are ready to learn next. MAP assessments are administered to iLEAD learners twice a year to help guide and personalize homeschool instruction.

- ◆ Test at home
- ◆ Receive results quickly
- ◆ Discover learner strengths & areas for growth in math and reading
- ◆ Use results to customize learning
