In this 6 week unit, we will cover 5 Biomes from around the world. While studying each biome we will look at animals, plants, landscapes and weather from that area. At the end of the 6 week study, each learner will create a project to present to the class, on a biome of their choice. Classroom activities and skills will include:

- Creating a biome in a bottle
- Group work
- Writing skills
- Art
- Science work samples
- Listening and Speaking Skills
- Project Based-Learning
