## 22-23 iSUPPORT BOARD

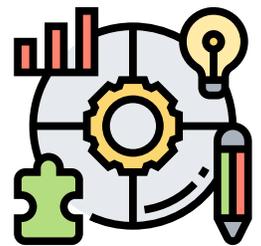

Hi! My name is Norma Leon-Moncada, your new President. I'm a mother of two up-and-coming iLEAD students, my sunshine Sol (4th) and my little tiger Braulio (2nd). In addition to being a mom, I'm a wife, a seasoned marketing professional, an active member of my community, and I am fluent in English, Spanish, and Italian. I believe we must "Be the change you wish to see in the world." - Mahatma Gandhi That is why I ran for Board President. Our kinder garden is blossoming and iSupport the bloom!

My name is Juana Hernandez, your new Vice President. I currently have a first grader at iLEAD. I have tried to be as involved in her class as I could. I have also been attending the iSUPPORT meetings from the beginning of our iLEAD journey. I have always felt the importance of being involved in our child's schooling and how it can make a difference in their education. However, being part of the school community is also very important, if not, as important. This is why I wanted to be part of the board for iSUPPORT. I want to be able to have a voice in what our kids need to succeed and be a voice for those that might be too shy. I also feel, as a part of the Latinx community, I can help bring more parents in to be part of our iSUPPORT group. Language can sometimes be a barrier, and I hope we can break that barrier. I look forward to working with the school and other parents and to have a successful school year!

Hi everyone! My name is Jenifer Armstrong, your new Secretary. I am the mother of three teenagers, Jake, Jordan and Joey. All have gone to iLEAD, but Joey, my daughter, is the last one. She is currently in the 8th grade. I am a realtor with eXp Realty and I was previously a substitute teacher at iLEAD. I am so grateful for our families experience with iLEAD and look forward to giving back to this community of awesome people!
