INTRODUCTION

Welcome to iLEAD Lancaster Charter School! You are part of a ground-breaking, innovative program designed to meet your child's individual needs and to foster in them a love of learning and the desire to be the leaders of the future.

iLEAD Lancaster Charter School may be different from some of your child's previous educational experiences. First, your child will participate in an interdisciplinary academic learning environment where they will make connections among various areas of study including language arts, history, science, the arts and technology. This setting will allow them to move at their own pace through inquiry-based learning strategies. Your child will also learn experientially through many field trips visiting local parks, beaches, organizations, businesses, and museums. Participation in these experiences will help your child apply their classroom learning. Finally, your child's growth will be measured along a continuum and in a variety of ways that demonstrate learning. In essence, your child will be empowered to take ownership of their learning experience.

Your experience as a parent/guardian at iLEAD Lancaster Charter School may also be different than what you have experienced at your previous schools. To make the transition a smooth one for your learner(s) and yourself, we encourage families to keep updated and informed about school events and parent/guardian programs. We encourage and depend upon our parents/guardians to be actively engaged both in and outside of their learner's classroom. You will work harder here as a parent/guardian, but your rewards will be tenfold. If you feel that you need support in any given area, please don't hesitate to ask for a meeting with your child's classroom facilitator, or another adult on campus that can advocate for you or your child. We work as a team in this environment and the only effective way to do that is to communicate and ask questions.

The Family Guidebook is designed to share iLEAD Lancaster Charter School's philosophy, expectations for learners and families, and other school information.

iLEAD SCHOOLS' EDUCATIONAL OVERVIEW

OUR MISSION AND VALUES

iLEAD Schools Mission Statement

Free to Think. Inspired to Lead.

Vision Statement

At iLEAD, we strive to be a beacon of innovation and creativity, fostering a culture of curiosity and leadership. Our commitment to unlocking the potential of our learners and the communities we serve is unwavering. We believe that by empowering people to become Lifelong learners, Empathetic citizens, Authentic individuals, and Design thinkers, we can create a better future for all.

Schoolwide Learner Outcomes

We believe that education should extend beyond traditional academic knowledge. Our purposeful approach revolves around the iLEAD Schoolwide Learner Outcomes; a collective vision that encapsulates our aspirations for each individual's education. The iLEAD Schoolwide Learner Outcomes serve as our compass, guiding us in shaping a child's educational journey. In the course of a child's career with iLEAD Schools, our learners will engage with a relevant and rigorous curriculum that will prepare them for success personally and professionally. The following are the expected Schoolwide Learner Outcomes that our learners develop:

i-LEAD by being a/an...

Lifelong Learner

I am a self-directed learner, focused on personal growth and development.

Empathetic Citizen

I seek to understand and appreciate what others are thinking, feeling, or experiencing.

Authentic Individual

I am true to myself, my personality, values, beliefs, and principles.

Design Thinker

I am a creative, imaginative individual who explores original ideas, takes risks, and develops innovative solutions that I share with others.

OUR METHODOLOGY

Through individualized learning, project based learning (PBL), and social emotional learning (SEL) iLEAD's hope is to inspire learners to become lifelong learners, empathetic citizens, authentic individuals and design thinkers. iLEAD Schools promotes active learning methods and opportunities for self-directed learning.

Individualized Learning

Individualized learning is an educational approach that tailors instruction to the unique needs, abilities, and interests of each learner. It recognizes that individuals have distinct learning styles, paces, and preferences, and aims to create a personalized learning experience to optimize their educational outcomes. Through the use of a wide variety of technology, materials, activities, and assessments, individualized learning provides learners with customized content, pace, and feedback, allowing them to progress at their own speed, explore areas of interest, and receive targeted support where needed. This learner-centered approach promotes autonomy, engagement, and mastery by acknowledging and addressing the diverse learning needs of each learner.

To that end, at the start of each school year, each learner, together with their facilitator and parents/guardians, creates an Individualized Learning Plan (ILP) that includes individual academic goals (aligned to Common Core State Standards) and social and emotional goals. These goals are incorporated into projects throughout the year, monitored, assessed, and reflected on by the learner and their facilitator. This experience creates a powerful incentive for learners to develop their skills, through the communication of high expectations, public display of meaningful work, and opportunities to showcase talents in modalities that best suit learners' distinct learning styles.

Project-Based Learning (PBL)

Over the past 100 years, the world we live in has radically changed. If we as a society are going to keep up, the way we educate our children must also change. Project-based Learning (PBL) is a teaching methodology that actively engages learners by challenging them to deeply investigate a personally interesting and complex question, problem or challenge. Then from this deep investigation, create and publically present something unique and original and authentic in response.

Project-Based Learning's time has come. The experience of thousands of teachers across all grade levels and subject areas, backed by research, confirms that PBL is an effective and enjoyable way to learn – and develop deeper learning competencies required for success in college, career, and civic life. Why are so many educators across the United States and around the world interested in this teaching method? The answer is a combination of timeless reasons and recent developments.

Through the PBL methodology, our learners develop the skills, aptitudes, and attitudes necessary to discover their own path and lead the way into the future. The development of rigorous, authentic projects helps learners bridge the gap between simply remembering instructions and becoming independent lifelong learners.

PBL makes school more engaging for learners. Today's learners, more than ever, often find school to be boring and meaningless. In PBL, learners are active, not passive; a project engages their hearts and minds, and provides real-world relevance for learning.

PBL improves learning. After completing a project, learners understand content more deeply, remember what they learn and retain it longer than is often the case with traditional instruction. Because of this, learners who gain content knowledge with PBL are better able to apply what they know and can do to new situations.

PBL builds success skills for college, career, and life. In the 21st century workplace and in college, success requires more than basic knowledge and skills. In a project, learners learn how to take initiative and responsibility, build their confidence, solve problems, work in teams, communicate ideas, and manage themselves more effectively.

PBL helps address standards. The Common Core and other present-day standards emphasize real-world application of knowledge and skills, and the development of success skills such as critical thinking/problem solving, collaboration, communication in a variety of media, and speaking and presentation skills. PBL is an effective way to meet these goals.

PBL provides opportunities for learners to use technology. Learners are familiar with and enjoy using a variety of tech tools that are a perfect fit with PBL. With technology, facilitators and learners can not only find resources and information and create products, but also collaborate more effectively, and connect with experts, partners, and audiences around the world.

PBL makes teaching more enjoyable and rewarding. Projects allow teachers to work more closely with active, engaged learners doing high-quality, meaningful work, and in many cases to rediscover the joy of learning alongside their learners.

PBL connects learners and schools with communities and the real world. Projects provide learners with empowering opportunities to make a difference, by solving real problems and addressing real issues. Learners learn how to interact with adults and organizations, are exposed to workplaces and adult jobs, and can develop career interests. Parents/guardians and community members can be involved in projects.

Not just knowing but also DOING

PBL allows learners to apply their learning in real-world scenarios.

High levels of engagement

PBL gives learners a voice in their own education, activating their interest, which allows for greater and deeper learning!

True learning

PBL allows us to teach, observe, and measure growth of marketable 21st Century skills such as communication, critical thinking, and collaboration.

Focusing on your learner, not the curriculum, brings learning to life

PBL develops self-empowered learners who can analyze the world they live in, design a better tomorrow, and go create it!

Social and Emotional Learning (SEL)

It takes more than book-smarts to be an effective leader. Today's leaders must possess the ability to successfully manage themselves and others. In the digital world we live in, these vital skills are becoming more and more scarce. If schools are not teaching them, we are not preparing our learners. **Social and Emotional Learning (SEL)** teaches learners to manage their emotions, resolve conflict, and make responsible and well thought out decisions.

Implementation and evaluation (assessment) of SEL has become an integral part of our approaches to teaching and learning through Project-Based Learning. Based on practices such as the [7 Habits of Highly Effective People/Kids/Teens®](#) (Stephen/Sean Covey) we measure and report SEL progress as part of every project, ILP (Individualized Learning Plan) goals, and Reports of Progress.

7 Habits of Highly Effective People

Stephen Covey's best-selling book *The 7 Habits of Highly Effective People* has been influential in the shaping of iLEAD's approach to lifelong learning. Regular implementation of these habits is encouraged to support positive interactions with oneself and others:

- **Habit 1: Be Proactive**
Proactive people take responsibility by focusing their time and energy on things they can control instead of reacting to or worrying about conditions over which they have little or no control.
- **Habit 2: Begin With the End in Mind**
Each day, task, or project should begin with a clear vision of one's desired direction and destination, and then continue by flexing proactive muscles to make things happen.
- **Habit 3: Put First Things First**
Life management — define one's purpose, values, roles, and priorities.
- **Habit 4: Think Win-Win**
Win-win is a frame of mind and heart that constantly seeks mutual benefit in all human interactions. A win-win approach means agreements or solutions are mutually beneficial and satisfying.
- **Habit 5: Seek First to Understand, Then Be Understood**
- This habit helps transform communication by actively listening with the intent to understand another's perspective versus filtering things through one's own life experiences and frame of reference.
- **Habit 6: Synergize**
This habit promotes cooperation, teamwork, open-mindedness, and the adventure of finding new solutions to old problems. It thrives on the idea that the whole is greater than the sum of the parts.
- **Habit 7: Sharpen the Saw**
Living a life in balance means taking the necessary time to renew one's self. To "sharpen the saw" means having a balanced program for self-renewal in the four areas of life: physical, social/emotional, mental, and spiritual.

CURRICULUM

The research-based instructional approach of Project Based Learning at iLEAD Lancaster Charter School is differentiated to engage learners through hands-on, serious, authentic experiences across subject areas. This methodology allows facilitators to address learners' individual differences, variations in learning styles, intelligence and abilities. Rather than rely on any one series of books, textbooks or guides, we employ multiple materials, resources and strategies to best meet the needs of individual learners.

Curriculum is implemented with the following best practices in education:

Global Understanding: 21st Century learners are faced with the challenge of engaging in an increasingly interdependent world where knowledge is constantly developing and evolving. Rigorous curriculum covering global connectivity will give learners a sense of belonging in our ever changing world and prepare them to thrive in the global marketplace upon graduation and post-college. Exploring diverse cultures will give learners a positive attitude toward learning and greater understanding of the world around them.

Engaging Curriculum: Our curriculum delivers the California content standards through relevant learning experiences that engage learners' interests as they discover underlying concepts and develop a deep understanding of subject matter. Learners are active participants in meaningful exploration, engage in hands-on activities and experiences that build on their prior knowledge. Projects are used as a teaching tool to focus on higher order thinking and real world skills. We will encourage learners to apply their understanding in projects that gradually introduce more complexity, more learner-driven choice of topics and products. The goal is to foster self-motivation and self-directedness, as each learner discovers their unique strengths.

Multi-age Groupings: Research supports environments with two or more grades that allow learners the flexibility to progress at their own pace along a continuum of achievement. As such, select grade levels at iLEAD Lancaster Charter School are multi-age environments.

Facilitator Continuity (Looping): Multi-year relationships between facilitator and learner provide for deeper knowledge to guide instructional decisions and familiarity with the social-emotional health of a learner (Anderson and Pavan, 1993).

Advisory/Morning Meetings: Research shows that when learners feel connected to their school, they do better academically. One of the ways we achieve this with Middle and Diploma Programme learners is through our advisory program. In small group settings, we explore the causes and effects of cultural, personal, and community events. Our primary learners participate in daily morning and/or 'family' (classroom) meetings that provide an opportunity to witness and display social problem solving skills and interactions. These meetings provide learners with the forum to develop social and emotional skills needed to thrive in a collaborative environment.

California State Academic Standards: California along with most other States developed and adopted common academic standards in core curriculum areas. They are rigorous, internationally benchmarked, and research- and evidence-based.

Each state, and each district in California decides how they will teach and what resources they will use. More information can be found at www.cde.ca.gov/re/cc/ or www.corestandards.org. California's computer-based student testing system ties the standards for English language arts, mathematics, and science called the California Assessment of Student Performance and Progress (CAASPP). The assessments include the Smarter Balanced Assessment Consortium Assessments, California Science Tests (CAST), California Alternate Assessments (CAA), and Standards-based Tests in Spanish (STS) for Reading/Language Arts. Parents/guardians can exempt their child(ren) from CAASPP testing by submitting a letter in writing annually. More information about the CAASPP can be found at www.cde.ca.gov/ta/tg/ca/. [EC 60119, 60604.5, 60615]

California Healthy Youth Act: The California Healthy Youth Act requires charter schools to provide pupils with integrated, comprehensive, accurate, and unbiased sexual health and HIV prevention education at least once in middle school and once in high school. It is intended to ensure that pupils in grades 7-12 are provided with the knowledge and skills necessary to: 1) protect their sexual and reproductive health from HIV, other sexually transmitted infections, and unintended pregnancy; 2) develop healthy attitudes concerning adolescent growth and development, body image, gender, sexual orientation, relationships, marriage, and family; and 3) have healthy, positive, and safe relationships and behaviors. It also promotes understanding of sexuality as a normal part of human development.

Parents/Guardians have the right to:

1. Inspect the written and audiovisual educational materials used in the comprehensive sexual health and HIV prevention education.
2. Request in writing that their child not receive comprehensive sexual health or HIV prevention education
3. Request a copy of Education Codes 51930 through 51939, the California Healthy Youth Act
4. Be informed whether the comprehensive sexual health or HIV prevention education will be taught by district personnel or outside consultants
5. Receive notice by mail or another commonly used method of notification fewer than 14 days before the instruction is delivered if arrangements for the instruction are made after the beginning of the school year
6. When the district chooses to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV prevention education, be informed of:
 - a. The date of the instruction
 - b. The name of the organization or affiliation of each guest speaker

English Learners Identification Notice: State law requires that parents/guardians of English learners are to be notified annually if they are identified as one of the following: Long-term English Learner or English learner at risk of becoming a Long-term English Learner. The school coordinator for English Language Development will be sending these notices at the beginning of each school year.

INDIVIDUAL LEARNING PLANS (ILPs) and LEARNER LED CONFERENCES (LLCs)

Each year, learners along with their facilitator(s) create an ILP to guide instruction. Each learner, along with their family and facilitator, work together to monitor the ILP and make adjustments, as needed. The primary goal of the ILP is to ensure that each child will be treated as an individual and therefore will be working toward attainable goals appropriate to their individual development.

Throughout the year, learners will review learning outcomes and set individual goals. They will learn to evaluate their progress toward those goals, starting at a basic level when they are younger and improving their ability to self-assess over time. Throughout the year, learners will meet with their facilitator and their parents/guardians to look critically at what they have accomplished both in formal settings as well as at home with their families. At the end of the spring semester our learners will present their progress in the Learner Led Conference (LLC) Presentations.

Portfolio-based LLCs will help ensure that learners are accountable to themselves, their families, their teachers, and the school community as a whole. Additionally, the experience creates a powerful incentive for learners to develop their skills, through the communication of high expectations, public display of meaningful work, and opportunities to showcase talents in modalities that best suit learners' distinct learning styles.

SECTION 3:

DAILY OPERATIONS

DROP OFF AND VALET PROCEDURES

iLEAD Lancaster Charter School offers a convenient valet drop off system. This is the safest and most efficient way to drop off your learner(s). We strongly encourage all families, regardless of the learner's grade level, to use the valet system.

In order to keep the learners and families safe before and after school, we ask that you follow these parking lot procedures when driving your child to the iLEAD Lancaster Charter School campus;

- Drive slowly and watch for families and children walking through the parking lot;
- Do not use your cell phone while driving in parking lot;
- Give your attention to driving and exiting safely;
- Primary Grade children should be accompanied through the parking lot by a parent/guardian or older sibling.

Please help us keep the valet line safe and efficient by following these guidelines:

- Have your child seated so that they can exit quickly.
- Be prepared- have your child ready to exit with a backpack/school work/ lunch in hand.
- Please pull forward and wait for a valet attendant before exiting the vehicle.
- Make sure your child has exited safely and all volunteers are at a safe distance away from your vehicle before you drive away from the valet drop off area.
- If you need to get something out of your trunk, please park in the parking lot.

For a map and more information please visit our website: www.ileadlancaster.org

ATTENDANCE

We try to make every minute of school engaging for the learners, and our expectation is that all learners will be at school on time and for the entire course of the school day. Learners arriving late could miss important beginning of the day information that is relevant to their education.

Absence

If your child is going to be absent, please email us at [Report an Absence](#) or call the attendance line at (661)722-4287 on the morning of the first day of the absence. You may leave a voicemail message when the office is closed.

iLEAD Lancaster Charter School urges parents/guardians to make sure their children attend school regularly and to schedule medical and other appointments after school or during school holidays. iLEAD Lancaster Charter School also asks that travel or other absences be avoided during the time school is in session. The higher the school's daily attendance rate, the more a learner will learn and the greater the amount of funding that the school will receive from the state for classroom instruction, and academic

programs. The school calendar is designed to minimize problems for families which plan vacations around traditional holiday periods, and thereby minimize learner absences.

Following an absence, a learner is required to bring a written excuse from home when returning to school. Illnesses, and doctor and dental appointments are considered excused absences. Absences without a written excuse are recorded as unexcused.

Excused Absences

Pupils, with the written consent of their parents/guardians, may be excused from school in order to participate in religious exercises or to receive moral or religious instruction.

No pupil shall have their grade reduced or lose academic credit for any excused absence or absences, if missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time.

(a) Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:

(1) Due to their illness, including an absence for the benefit of the pupil's mental or behavioral health.

(2) Due to quarantine under the direction of a county or city health officer.

(3) For the purpose of having medical, dental, optometric, or chiropractic services rendered.

(4) For the purpose of attending the funeral services of a member of their immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than **five** days if the service is conducted outside California.

(5) For the purpose of jury duty in the manner provided for by law.

(6) Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent/guardian, including absences to care for a sick child, for which the school shall not require a note from a doctor.

(7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of their religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil's absence is requested in writing by the parent/guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.

(8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.

(9) For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in EC 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school.

(10) For the purpose of attending the pupil's naturalization ceremony to become a United States Citizen.

(11) For the purpose of participating in a cultural ceremony or event.

Excused Absences

(12) (A) For the purpose of a middle school or high school pupil engaging in a civic or political event, as provided in subparagraph (B), provided that the pupil notifies the school ahead of the absence.

(B) (i) A middle school or high school pupil who is absent pursuant to subparagraph (A) is required to be excused for only one school day-long absence per school year.

(ii) A middle school or high school pupil who is absent pursuant to subparagraph (A) may be permitted additional excused absences in the discretion of a school administrator, as described in subdivision (c) of Section 48260.

(13) (A) For any of the purposes described in clauses (i) to (iii), inclusive, if an immediate family member of the pupil, or a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, has died, so long as the absence is not more than three days per incident.

(i) To access services from a victim services organization or agency.

(ii) To access grief support services.

(iii) To participate in safety planning or to take other actions to increase the safety of the pupil or an immediate family member of the pupil, or a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, including, but not limited to, temporary or permanent relocation. (B) Any absences beyond three days for the reasons described in subparagraph (A) shall be subject to the discretion of the school administrator, or their designee, pursuant to Section 48260.

(14) 1. Authorized at the discretion of a school administrator, as described in subdivision (c) of Section 48260.

(b) A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefore. The facilitator of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

(c) For purposes of this section, attendance at religious retreats shall not exceed one school day per semester.

(d) Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.

(e) "Immediate family," as used in this section, means the parent/guardian, brother or sister, grandparent, or any other relative living in the household of the pupil.

Tardiness

We ask that you contact the school if you know your child is going to be tardy. Consistent tardiness will result in learners missing valuable time with their classmates and will require them to make up missed activities.

Chronic Absenteeism

A learner is considered a chronic absentee when they are absent on 10% or more of the school days in one school year, from the date of enrollment to the current date. Chronic absenteeism includes all absences – excused and unexcused – and is an important measure because excessive absences negatively impact academic achievement and learner engagement.

Truancy

Learners are expected to be in school every school day. Any learner who is absent from school without a valid excuse (46010, 46010.3, 48205 Ed. Code) is considered truant. Missing a class period without a valid excuse is also considered truancy. Truancy is a serious offense and may lead to serious consequences.

Illness

Any child who becomes ill while at school will be taken to the Health Office and parents/guardians will be called to pick up the sick child. Please note that your child needs to be fever free for 24 hours before returning to school. If your child needs to take prescription medication on a temporary or permanent basis while at school, an authorization to administer medication must be on file at the school. This form is available on the web-site: [Report an Absence](#)

Concurrent Enrollment

All learners may only be enrolled in one school at a time. Learners may not be enrolled in a public and/or charter school and a private school or a public school and charter school at the same time. The school may request proof of disenrollment from previous school prior to registration.

Extended School Year - Migrant Education

Learners who are identified as a "migrant child" in grades TK-6 may be allowed to enroll in two public schools during summer, winter, or other intersessions – both the school in which they last attended and the next intended school to be entered upon the migration with parents from one agricultural work site to another.

Independent Study

Independent Study (IS) is by choice and may not be mandated. Each school that chooses to offer IS must have policies for independent study courses or curriculum equivalent time to complete work expectations equal to what is offered in person. In addition, short-term (less than 15 school days) and long-term (15 or more school days) requires the IS engagement defined per the policies adopted by the local governing board. The IS agreement must be signed within 10 days of the start of short-term IS or prior to beginning long-term IS. IS agreements must be updated to include equitable access to students with disabilities based upon individual student needs. For more information on how our school offers IS options, please contact the office.

For a completed list of days, times, and schedules, please visit DiscoverChampion.com, email our Champions site Director at ch001134@klcopr.com, or call 1-800-246-2154

SCHOOL LUNCH PROGRAM

iLEAD Lancaster Charter School offers a school lunch program. iLEAD Lancaster Charter School offers healthy meals every school day because children need healthy meals to learn. Commencing in SY 2023–24 schools serving learners in grades TK–8 must provide two meals free of charge (breakfast and lunch) during each school day to learners requesting a meal, regardless of their free or reduced-price meal eligibility. Schools will still require eligible parents/guardians to submit a Household Data Collection form in order to remain in compliance for accounting purposes only. For more information on the program please see the iLEAD Lancaster Charter School website at www.ileadlancaster.org

ENRICHMENT ACTIVITIES

iLEAD Lancaster Charter School offers several clubs, sports and enrichment classes. For a list of current ongoing extra-curricular offerings, please see the iLEAD Lancaster Charter School Events Calendar at: <https://ileadlancaster.org/events/>.

iLEAD Lancaster Charter School does not provide transportation. Families need to arrange their own transportation to and from campus/studio. Field Studies participation includes transportation details and are arranged on a per field study basis. Please see individual Field Study documentation for further information.

Prior to departure on a school activity trip, all learners riding on a school bus or school activity bus shall receive safety instruction that includes, but is not limited to, location of emergency exits, and location and use of emergency equipment. Instruction also may include responsibilities of passengers seated next to an emergency exit.

LOTTERY GUIDELINES

As a charter school, iLEAD Lancaster Charter School is a school of choice, and may have more learners interested in attending the school than there are spaces available. If the number of learners who wish to attend the school exceeds the openings available, entrance shall be determined by single random public drawing in accordance with Education Code §47605(d)(2) and all federal requirements.

DRINKING WATER

Water plays an important role in maintaining a learner's overall health. Learners, facilitators and staff are allowed to bring and carry water bottles to school and utilize water bottle filling stations that may be found around the campus.

SECTION 4:

LEARNER CONDUCT

EXPECTATIONS FOR SCHOOL BEHAVIOR

iLEAD Lancaster Charter School strives to present our learners with opportunities that exceed those available at most traditional schools. Our learners also accept a sense of responsibility that in many ways exceeds that which is expected at a traditional school. We expect each child to do their best, both academically and behaviorally. If there's a problem, we personally speak with the learner, discuss the options for making good decisions, set appropriate consequences, and strive to help the learner internalize the importance of taking responsibility for their own learning and behavior. As a framework for this, we have expected learning results.

At iLEAD Lancaster Charter School we utilize **Love and Logic®** to embrace each learner's uniqueness while modeling and expecting appropriate behavior. Our iLEAD Lancaster Charter School expectations for school behavior are:

- I will do nothing to harm myself or others
- I am responsible for my behavior
- We are each other's keepers
- I take pride in myself and in my work
- I will leave it better than I found it.

At the beginning of the school year, and at intervals throughout the year, we discuss these goals and principles with the learners, come to a common understanding of what they mean and why they are important, and then help our learners to incorporate them into their daily lives. Parents/Guardians are encouraged to participate in the Love and Logic® courses offered at iLEAD Lancaster Charter School throughout the year.

Consequences

In addition to Love and Logic, our school focuses on Restorative Practices. This is an approach to resolving conflict and is used for preventative measures. Restorative Practices refer to a range of approaches including talking circles and peer mediation and utilizes strategies to rebuild relationships.

There are age appropriate consequences for not adhering to the behavior guidelines. Along with the Restorative Practice approach, family and staff will work together to make decisions that are in the best interest of the child. The following are examples of consequences that allow flexibility for individuals and varying situations.

- **Warning and reminder:** This may take place in or out of the classroom.
- **Reflection time:** This allows children to cool off and the situation to diffuse before it becomes a larger issue. A reflection time may take place in the office or outside of a classroom.

- **A respectful, related consequence:** This step allows the flexibility for a child or adult to create consequence. For instance, if a child wrote on a table, the consequence may be to clean the tables.
- **A disciplinary referral to the office:** This consequence reflects the seriousness of the situation. At this time, the learner will meet with an administrator, describe what happened, what they could have done differently, and what could be changed at the school that could prevent this from happening again.
- **Suspension/parental or guardian supervision :** The child would not be allowed to attend school. This would include extra-curricular activities during the suspended time period.
- **Emergency Removal:** See *Emergency Removal* section on the next page.

Suspension/Expulsion Procedures

Rules of suspension and expulsion must follow due process mandates. They are stated below.

Suspension

- The school administrator or administrative designee can suspend a child.
- A learner shall not be suspended from school or recommended for expulsion, unless the school administrator or designee in which the pupil is enrolled determines that the learner has committed an act as defined pursuant to any of subdivisions of EC 48900 (a) to (r).
- No suspension shall exceed five (5) school days.
- The administrator must directly contact the parent/guardian regarding the learner suspension and reasons why.
- The learner must be given the right to appear at a conference before the Administrator. At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against them, and shall be given the opportunity to present their version and evidence in their defense.
- A written notice of suspension must be sent or given within one school day to the parent/guardian or custodian of the learner. The notice must contain the reasons for the suspension and the right of the learner to appeal the suspension.
- A parent/guardian has the right to appeal the suspension, which must be submitted, in writing, to the Administrator within fourteen (14) calendar days of the written notice of suspension. The Administrator shall immediately forward this written appeal to the appeals officer assigned by iLEAD as the Board of Director's designee.

Note: A learner under a suspension shall have the right to make up all academic work missed. From the day they return to school, the number of days given to accomplish this make-up work shall equal the number of suspension days.

Expulsion

- Only the School Director can recommend expulsion. EDN 48900
- The School Director may grant an extension of time. If granted, the Administrator must notify all parties, in writing, of the new time and place for the meeting.
- The written notice is to include reasons for the recommended expulsion.

- The learner and parent/guardian must have an opportunity to appear, on request, before the school Administrator to challenge the recommendation for expulsion, or to otherwise explain the learner's actions that led to the intended expulsion.
- The parent/guardian may be given the opportunity to withdraw the learner before a decision to expel takes place. It should be noted, however, that when such learner is withdrawn, the expulsion process must continue to be followed to its conclusion
- Only the governing board may make the decision to expel a learner. Following that decision:
- The letter of expulsion is sent.
- Within one (1) school day, the Administrator shall notify the Registrar, in writing of the decision to expel.
- The parent/guardian has the right to appeal the expulsion, which must be submitted, in writing, to the school Administrator within fourteen (14) calendar days of the written letter of expulsion. The Administrator shall immediately forward this written appeal to the appeals officer assigned by iLEAD Education as the Board of Director's designee.

Requirement of Parent/Guardian School Attendance

Facilitators may require the parent or guardian of a learner who has been suspended by a facilitator to attend a portion of that school day in their learner's classroom. The attendance of the parent or guardian will be limited to the class from which the learner was suspended. A written notice will be sent to the parent or guardian regarding implementation of this requirement. Employers are not allowed to apply sanctions against the parent or guardian for this requirement, if the parent or guardian has given reasonable notice to his/her employer.

Emergency Removal

The school Administrator may perform an emergency removal of a learner from curricular or extracurricular activities or from the grounds if a learner's presence poses a threat and/or danger to any person or property, or if the learner's presence poses an on-going disruption to the educational process. This removal may be done without immediate notice or hearing.

If the removal leads to a suspension any learner so removed shall be given written notice and provided with a hearing within three (3) school days after removal as defined in the Suspension section of this Handbook. If it is probable that the learner is going to be recommended for expulsion, the expulsion process shall be conducted in accordance within the Expulsion section of this Guidebook.

Student Search

The school director or administrative designee may search the personal property of a learner, the learner, or the backpack or purse if there is a reasonable suspicion to believe the learner may have a concealed weapon, narcotics, stolen property, or contraband. [U.S. Supreme Court Case: New Jersey v. T.L.O. (1985) 469 U.S. 325]

Electronic Nicotine Delivery Systems (E-Cigarettes)

The school prohibits the use of electronic nicotine delivery systems (ENDS) such as e-cigarettes, hookah pens, cigarillos, and other vapor-emitting devices, with or without nicotine content, that mimic the use of tobacco products on all school property and in school vehicles at all times. ENDS are often made to look

like cigarettes, cigars and pipes, but can also be made to look like everyday items such as pens, asthma inhalers and beverage containers. These devices are not limited to vaporizing nicotine; they can be used to vaporize other drugs such as marijuana, cocaine, and heroin.

Learners using, in possession of, or offering, arranging or negotiating to sell ENDS can be subject to disciplinary action, particularly because ENDS are considered drug paraphernalia, as defined by 11014.5 of the Health and Safety Code.

Tobacco Free Campus

The use of tobacco and nicotine products is prohibited on school grounds, buildings, and vehicles, and within 250 feet of a youth sports event. Tobacco products include, but are not limited to, cigarettes, cigars, little cigars, chewing tobacco, pipe tobacco, snuff, or an electronic device (e.g., electronic cigarette, cigar, pipe, or hookah) that delivers nicotine or other vaporized liquids.

Release of Learner to Peace Officer

If an iLEAD Lancaster Charter School official releases your learner from school to a peace officer for the purpose of removing them from the school premises, the school official shall take immediate steps to notify you or a responsible relative of your learner, except when a learner has been taken into custody as a victim of suspected child abuse. In those cases, the peace officer will notify the parent/guardian. [EC 48906; PC 11165.6]

Parent/Guardian Responsibility

Parents/Guardians are liable for all the damages caused by the willful misconduct of their minor children, which result in death or injury to other learners, school personnel, or school property. Parents/Guardians are also liable for any school property loaned to the learner and willfully not returned. The school may further withhold the grades, diploma, and transcript of the learner until restitution is paid.

If your child commits an obscene act or engages in habitual profanity or vulgarity, disrupts school activities or otherwise willfully defies the authority of school personnel, and is suspended for such misconduct, you may be required to attend a portion of a school day in your child's classroom. [EC48900.1]

Academic Dishonesty

The school expects learners to do their own work and to succeed in school by their own efforts. Academic dishonesty includes using someone else's answers, writings, or ideas and submitting the work as their own. It also involves using answer keys, teacher's editions, the internet and/or a mobile device to find answers without permission. Additionally, providing answers or allowing someone to use their work is not allowed.

For any learner caught plagiarizing (copying) the writings or ideas of another, providing work for another to copy, or cheating by any other means, disciplinary actions will be taken as deemed appropriate by the facilitator and/or School Director or designee.

SECTION 5:

TECHNOLOGY

ELECTRONICS

Cell phones, tablets, and other electronic items are often used for instructional practices. We are guiding our learners in appropriate use of technology, helping them to make appropriate choices concerning these items. We realize that many parents/guardians give their children cell phones for safety and convenience. We ask that learners limit use of the phones during the school day to academic purposes only. Families may contact their child in an emergency situation by calling the school office and learners may use cell phones or school phones to contact families in an emergency. Learners should respect their facilitator's requests regarding appropriate time to use technology. Should technology disrupt the learning environment or if used inappropriately, parent/guardian will be notified and cell phones or other devices will be stored in a safe place and returned to the learner at the end of the school day. Continuous misuse of technology will result in consequences.

At iLEAD, technology is a powerful learning, collaboration, and creativity tool. This policy outlines the guidelines for responsible and ethical use of technology resources, including cell phones, tablets, Chromebooks, Artificial Intelligence (AI), and the Internet. Following these guidelines can create a safe and positive learning environment for all learners and staff.

INTERNET USAGE

iLEAD Lancaster Charter School computers have access to the Internet. The school works diligently to protect our learners from inappropriate content. The iLEAD Lancaster staff work closely in training our learners as to the appropriate use of the Internet. Before using the Internet, parents/guardians and learners should read the following "Network Use Guidelines."

NETWORK USE GUIDELINES

iLEAD School computers provide access to the internet, filtered to protect students from inappropriate content at the network level. We train students on responsible internet use and require both students and parents/guardians to sign a "Network Use Guidelines" agreement.

Equipping our learners with the skills to thrive in the 21st century demands providing them with access to technology, and this is reflected in the integration of computers and educational software into every classroom curriculum. Learners will have email access with filtering and built in restrictions; iLEAD Lancaster Charter School employs strong guidelines for Web usage and Internet security. We comply with the level of security that the Children's Internet Protection Act and COPPA (Children's Online Privacy Protection Act). While we have filters at the network level for inappropriate Websites, there are still instances when those Websites can come through. Please be assured that iLEAD Lancaster Charter School remains committed to restricting the use of such Websites.

Our school is taking reasonable precautions to restrict access to “harmful matter” and to materials that do not support approved educational objectives. However, on a public network it is impossible to control all materials. “Harmful matter” means matter that, taken as a whole by the average person applying contemporary statewide standards, describes in a patently offensive way material which lacks serious literary, artistic, political, or scientific value for minors (Penal Code, section 3 13).

The facilitators/staff will choose resources on the Internet that are appropriate for classroom instruction and/or research for the needs, maturity, and ability of their learners. iLEAD Lancaster Charter Schools takes no responsibility for the accuracy or quality of information from Internet sources. Use of any information obtained through the Internet is at the user’s risk.

The purpose of schools having access to the Internet is to support research and education in and among academic institutions by providing access to unique resources and the opportunity for collaborative work. The use of the internet must be in support of education and research and consistent with the educational objectives of iLEAD Lancaster Charter Schools.

Transmission of any material in violation of any federal or state law is prohibited. This includes, but is not limited to, the distribution of:

1. Any information which violates or infringes upon the rights of any other person.
2. Any defamatory, inappropriate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material.
3. Advertisements, solicitations, commercial ventures, or political lobbying.
4. Any information which encourages the use of controlled substances or the use of the system for the purpose of inciting crime.
5. Any material which violates copyright laws.
6. Any vandalism, unauthorized access, “hacking,” or tampering with hardware or software, including introducing “viruses” or pirated software, is strictly prohibited.
7. The use of the Internet is a privilege, not a right, and inappropriate use will result in cancellation of these privileges.

NETIQUETTE (Network Étiquette)

The use of the Internet requires that you abide by accepted rules of network etiquette. These include, but are not limited to, the following:

1. Be polite and respectful in all online communication.
2. Use appropriate language. In all messages, do not swear or use vulgarities or any other inappropriate language. Anything pertaining to illegal activities is strictly forbidden.

3. Maintain privacy. Do not reveal the personal address or phone numbers of yourself or other persons. Before publishing a learner's picture, first name, or work on the Internet, the school must have on file a parent/guardian release authorizing publication.
4. Respect copyrights. All communications and information accessible via the network should be assumed to be the property of the author and should not be reused without their permission.
5. Do not disrupt the network or **engage in activities that interfere with others' use.**
6. Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a security problem, you must notify iLEAD Lancaster School staff.
7. Vandalism will result in cancellation of privileges. This includes, but is not limited to, the uploading or creation of computer viruses.

SUPERVISION AND MONITORING

School and network administrators and their authorized employees monitor the use of information technology resources to help ensure that uses are secure and in conformity with this policy. Administrators reserve the right to examine, use, and disclose any data found on the school's information networks in order to further the health, safety, discipline or security of any learner or other person, or to protect property. They may also use this information in disciplinary actions, and will furnish evidence of crime to law enforcement.

CYBERBULLYING

iLEAD Lancaster Charter School provides learners with instruction, in the classroom or other educational settings, that promotes communication, social skills, and assertiveness skills and educates learners about appropriate online behavior and strategies to prevent and respond to bullying and cyberbullying. School staff shall receive related professional development, including information about early warning signs of harassing/intimidating behaviors and effective prevention and intervention strategies. Parents/Guardians, learners, and community members also may be provided with similar information.

Any learner who engages in cyberbullying on school premises, or off campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to discipline in accordance with school policy. If the learner is using a social networking site or service that has terms of use that prohibit posting of harmful material, the School Director or designee may also file a complaint with the Internet site or service to have the material removed.

ACADEMIC DISHONESTY AND AI:

iLEAD encourages responsible use of AI tools for learning and exploration. Students must use AI ethically and avoid plagiarism or other forms of academic dishonesty. AI tools should be used to enhance learning, not replace critical thinking

SECTION : 6

EXPLORATION (HOME STUDY)

PROGRAM DESCRIPTION

iLEAD Lancaster Charter Schools Exploration is passionate about personalized learning, providing opportunities for each child to thrive through their own individualized learning plan. Families are paired with a credentialed teacher who develops and oversees an individualized learning plan (ILP) based on grade-level standards and the learner's passions. Under the guidance of a credentialed educational facilitator, families can incorporate a variety of learning methods and educational activities to achieve educational goals. Instructional funds are allocated by facilitators to support and enhance each learner's individualized learning plan.

iLEAD Lancaster Charter School dedicated staff partners with each family to plan, advise, and encourage the learner to reach their goals. Each month, the educational facilitator will work with the family to develop meaningful, standards-based assignments using the learner's passions/interests, curriculum, and educational activities. Families meet with their educational facilitator weekly to check in to share all learning activities and assignments from their individualized learning plans completed that week. Work samples are collected for every subject, and parents/guardians sign learning logs to verify daily engagement. At least one weekly meeting a month needs to be face to face (either in person or via zoom)

iLEAD Lancaster Charter School Exploration also values community, providing opportunities to foster friendships through a variety of field studies, service projects, park days, and family gatherings.

MASTER AGREEMENT, INDIVIDUALIZED LEARNING PLANS AND ASSIGNMENT WORK RECORD

The school's guidelines require a detailed agreement between the learner, parent/guardian, and the credentialed teacher. This agreement is called the Master Agreement, and it must be completed and signed by the learner, parent/guardian, and educational facilitator on or before the learner's start date. An acknowledgment of responsibilities, signed by the learner, parent/guardian, and educational facilitator, emphasizes each person's responsibility in the learner's education.

In addition to the Master Agreement, learners and educational facilitators create Individualized Learning Plans (ILP) on their Assignment Work Records (AWR) to guide instruction. Learners complete the work and activities on their ILP/AWR as assigned by their facilitator each learning period. The primary goal of the ILP/AWR is to ensure that each child is working toward grade-level standards, personal goals, and social-emotional growth.

Throughout the year, learners will review learning outcomes and set individual goals. They will learn to evaluate their progress toward those goals, starting at a basic level when they are younger and improving

their ability to self-assess over time.

Attendance

As an independent study program of public charter school, iLEAD Lancaster Charter School has guidelines that govern how attendance is calculated. In independent study, attendance is granted by evaluating two components - the daily engagement (learning log) and completion of assigned work (time value).

1. **Engagement:** Learners must be engaged in assigned educational activities listed on the Assignment Work Record/individualized learning plan (ILP) on every school day listed on the school calendar. If a learner does not engage in an assigned educational activity listed on the Assignment Work Record/ILP on a school day, they will be marked absent. The number of days that a learner receives credit for engagement is reflected on the activity log that the parent/guardian signs at the end of each learning period (LP). Engagement is based on daily activities for each school day.
2. **Time Value:** Learners must complete, show, and discuss the body of work with their facilitator in all academic subjects as assigned on the Assignment Work Record/individual learning plan (ILP). Generally, the Assignment Work Record/ILP will reflect about an hour of work per subject per day (a little less for TK/K). If a learner does not complete the assigned work in a given subject for the learning period, they will not receive full time value for that subject.

When attendance is claimed at the end of a learning period, the EF takes into consideration both engagement and time value and must claim the lesser of the two.

TRUANCY AND COMPLIANCE

Per the Master Agreement, learners not meeting program requirements will be evaluated to determine whether independent study is an appropriate strategy/program. The process may include interventions, Inadequate Progress contracts, and student success team meetings. The school will contact learners and families by phone, email, or in-person meetings to determine interventions needed for success. Any violation of the Master Agreement could result in removal from iLEAD Lancaster Charter Schools Exploration's independent study program.

Per California Education Code Section 51747, the governing board of iLEAD Lancaster Charter School maintains this board policy establishing the criteria before an evaluation is conducted to determine whether it is in the best interest of the student to remain in independent study.

Inadequate Progress

Inadequate Progress, established by this policy, occurs when the student fails to attend one learning period meeting, fails to complete at least 75% of work assigned for one learning period, and/or accumulates 20 absences due to insufficient work completion and/or engagement as evaluated by the facilitator. This is referred to as "Inadequate Progress." Learners making Inadequate Progress are considered to be truant.

Evaluation After Truancy

Once the learner meets the criteria for truancy, an evaluation will be conducted by school administration including the learner's supervising teacher to determine whether it is in the best interest of the learner to remain enrolled in independent study (herein referred to as the "Evaluation"). The Evaluation may include items as outlined on the student's Master Agreement, but is not limited to the review of the following:

1. Attendance based on completion of assigned work and daily engagement as quantified by the supervising teacher
2. Learner's demonstration of adequate and appropriate progress toward Common Core State Standards due to lack of engagement or insufficient work completion
3. Attendance at scheduled school appointments
4. Appropriate learning environment
5. Parent/Guardian's ability to monitor student learning in the home

As part of the Evaluation process, the learner, parents/guardians, or the learner's educational rights holder (if the learner is a foster child or youth or a homeless child or youth), will be invited to present evidence to the individual(s) conducting the Evaluation. During the Evaluation, the School will determine whether it is in the best interest of the student to remain in independent study. A written record of the findings of any evaluation made pursuant to this subdivision shall be maintained in the student's mandatory interim record.

Additional Consideration for Students with a Section 504 Plan or IEP

If the school recommends removal from independent study as a result of the Evaluation and the learner has a Section 504 Plan or IEP, the Charter School shall schedule an IEP meeting or Section 504 meeting (as applicable) following applicable legal timelines, to determine the following:

1. Whether the Inadequate Progress (e.g. missed assignments) was caused by or had a direct and substantial relationship to the learner's disability.
2. Whether the Inadequate Progress (e.g. missed assignments) was the direct result of the school's failure to implement the IEP or Section 504 Plan, as applicable.

If the answer to either (1) or (2), above, is yes, then the Inadequate Progress is a manifestation of the learner's disability and the school will follow applicable state and federal laws to ensure that the learner is offered a free appropriate public education.

If the answer to either (1) and (2), above, is no, then the learner may be removed from independent study consistent with this policy.

This meeting may be combined with the Evaluation at the discretion of the school.

Notice of Decision and Opportunity to Request a Hearing Prior to Removal

Once the Evaluation is complete, if it is determined that it is not in the best interest of the learner to remain enrolled in the independent study program, the parents/guardians shall be notified in writing of the school's intent to remove the learner as it is not in their best interest to remain in independent study (hereinafter referred to as the "Notice"). The Notice shall be in the native language of the

parents/guardians and provided no less than five (5) school days before the effective date of learner's removal. The Notice shall include the following:

1. The school's intent to remove the learner as it is not in their best interest to remain in independent study.
2. The opportunity of the parent/guardian to request a hearing that follows the same procedures as the school uses for expulsions. Parents/Guardians (or the learner if over 18) must submit the request for hearing in writing and the request must be received by the School within five (5) calendar days from the date of the Notice.
3. If parents/guardians or learner over 18 requests a hearing:
 - a. It will be scheduled following the school's expulsion hearing procedures as outlined in the school's approved charter.
 - b. The learner shall remain enrolled and shall not be removed until the school issues a final decision.
4. If no hearing is requested, the learner shall be removed from the charter school on the date listed on the Notice. The learner's district of residence will be notified of the removal.

The learner and/or parents/guardians will receive a copy of the Notice.

NON-TRUANT ABSENCES

Based on how attendance is granted in independent study, the school is required to report attendance based on daily engagement and work completion. If learners are unable to engage or complete work on a school day, they will be marked absent but not considered truant if any of the following circumstances apply.

- a) Notwithstanding Section 48200, a learner shall be excused from school when the absence is:
 1. Due to illness, including an absence for the benefit of the pupil's mental or behavioral health.
 2. Due to quarantine under the direction of a county or city health officer.
 3. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
 4. For the purpose of attending the funeral services of a member of the immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
 5. For the purpose of jury duty in the manner provided for by law.
 6. Due to the illness or medical appointment during school hours of a child of whom the learner is the custodial parent/guardian.
 7. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of religion, attendance at religious retreats, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the learner's absence is requested in writing by the parent/guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.
 8. For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.

9. For the purpose of spending time with a member of the learner’s immediate family, who is an active duty member of the uniformed services, as defined in EC 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
 10. For the purpose of attending the learner’s naturalization ceremony to become a United States Citizen.
 11. For the purpose of participating in a cultural ceremony or event.
 12. Authorized at the discretion of a school administrator, as described in subdivision (c) of section 48260.
- b) A learner absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefore. The teacher of the class from which a learner is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the learner missed during the absence.
 - c) For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
 - d) Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
 - e) "Immediate family," as used in this section, means the parent/guardian, sibling, grandparent, or any other relative living in the household of the learner.

CHRONIC ABSENTEEISM

A learner is considered a chronic absentee when they are absent on 10% or more of the school days in one school year, from the date of enrollment to the current date. Chronic absenteeism includes all absences – excused and unexcused – and is an important measure because excessive absences negatively impact academic achievement and learner engagement.

INSTRUCTIONAL FUNDS

Instructional funds are public dollars allocated to the school by the state. The educational facilitator, a credentialed teacher within the state of California, will guide families in the selection of academic materials and services from the approved vendor list that supports the educational goals of the learner. As the teacher of record, the facilitator is required to ensure all learners have access to grade-level, standards-based materials. The materials and services ordered will support the assignments, projects, and activities listed on the learner’s Assignment Work Record/Individualized Learning Plan (ILP).

| 2024-2025 Instructional Funds | |
|--|--------------|
| Grades TK-K | \$2,600/year |
| Grades 1-8 | \$3,100/year |
| <i>Note: Once the school year begins, funds are depreciated based on the learner’s start date.</i> | |

The primary focus is the learner’s adequate progress with instructional funds supporting core subjects and other academic areas of need based on internal benchmark testing, state testing, curriculum

assessments, and academic progress on the Assignment Work Record/ILP. The educational facilitators and the vendor department will use their professional judgment to evaluate the appropriateness of requested materials and services. The school makes the final determination on the use of funds to support the learner's academic progress.

Orders cannot be placed until the Master Agreement and Acknowledgement of Responsibilities are signed by the learner and parent/guardian. The learner's Assignment Work Record/Individualized Learning Plan (ILP) must reflect the academic plan addressing the core curriculum needs. Core curriculum must be in place prior to requesting supplemental and/or extracurricular materials/courses.

LEARNING PERIOD EXPECTATIONS

Assignment Work Record/Individualized Learning Plan (ILP)

The Assignment Work Record/individualized learning plan lists assignments and activities that must be completed by the learner during each learning period. The EF ensures that the assignments and activities support grade-level content standards and social-emotional learning. The AWR/ILP also serves as a grade book and goal-setting tool for learners and families. As the credentialed teacher of record, the facilitator will review the assignments and activities listed from each learning period at the meeting, and provide feedback, suggestions, and grade determinations. Learners who are not meeting grade-level expectations are provided intervention support.

The AWR/ILP is maintained by the EF and incorporates assignments that will utilize a variety of materials, resources, and activities. The facilitator will guide the discussion at learning period meetings to plan, review and assign work on the AWR/ILP in collaboration with the learner and family. The unique learning styles and interests of each learner are considered in the development of assignments reflecting state standards. At monthly learning period meetings, the body of work, as listed on the AWR/ILP, is showcased by the learner. The EF will collect samples in each subject area as listed on the Master Agreement. Curriculum purchased with instructional funds and assigned by the teacher of record on the AWR/ILP must be accessible to the teacher for planning purposes and to monitor progress.

The AWR/ILP reflects the grade-level guidelines as defined by the state of California and include:

| Instructional Time Requirements (CDE) | | |
|---------------------------------------|------------|---------------|
| Grade | Min/Year | Average Daily |
| TK/Kinder | 36,000 min | 205 min/day |
| 1st - 3rd | 50,400 min | 288 min/day |
| 4th - 8th | 54,000 min | 308 min/day |

- a. **Assignments:** Curriculum guide, pacing plans, field studies, projects, reports, presentations, videos, writing, experiments, journals, graphic organizers, logs, etc.
- b. **Time Value:** The EF's assignments must meet the instructional time requirements for charter schools as listed by the CDE. The assignments reflect time value for an average student to complete their work by grade-level guidelines. <https://www.cde.ca.gov/fg/aa/pa/instructionaltime/table.asp>

Learning Period Meetings

Learners and parents/guardians must participate in regularly scheduled mandatory learning period (LP) meetings at a minimum of every 20 instructional days in addition to weekly check ins. Meeting frequency is subject to California Education Code, and the credentialed teacher can request more meetings as needed to support learner progress. At these meetings, the educational facilitator will review the body of work and collect work samples for each subject as listed on the Master Agreement. The learner will showcase, discuss, and provide work assignments such as projects, essays, assessments, clear photos/videos, and other items that allow the learner to demonstrate learning experiences. Additionally, the facilitator will work in collaboration with the family to assign work for the next learning period meeting. Should an emergency arise, the parent/guardian should communicate with the educational facilitator to reschedule the meeting as soon as possible.

Chronic absences in the form of insufficient work completed and/or missed learning period meetings may result in an evaluation to determine whether independent study is an appropriate strategy/program for the learner. Any violation of the Master Agreement could result in removal from iLEAD Lancaster Charter Schools Exploration's independent study program.

Monthly Work Samples

At the learning period meeting, learners will discuss and show the body of work assigned in the AWR/ILP by their facilitator. This includes all completed assignments from which the educational facilitator will collect work samples per subject listed on the Master Agreement each learning period. Work samples should:

- Demonstrate learning in accordance with the work assigned and grade-level standards as listed for each subject on the AWR/ ILP.
- Reflect original learner work submitted as a hard copy, emailed as a scanned copy, or photo(s).
 - Photo samples: The images should be clear, well-lit, and include the entire sample in the frame. Learners should write (or dictate for primary grades) a caption or description of the learning taking place in the photos. Photos should include learners with their projects when possible.
- Not contain any religious materials or references unless the course on the Master Agreement requires a study of world religions.
- Show math problems worked out or explained by the learner.
- Be evaluated by the educational facilitator.

If the educational facilitator determines additional samples are needed to demonstrate progress and learning in specific areas, the educational facilitator may assign additional work or ask the learner to revise what they have already submitted.

Learning Log

Parents/Guardians must sign a monthly activity log confirming learner engagement in educational activities on school days. Parents/Guardians will be required to sign off on the learning log on the last day of each learning period. Attendance is determined based on the work assignments completed (time value) and the daily engagement (learning log).

Learning Period (LP) End Dates

Synchronous Instruction and Daily Live Interaction

Learners will be provided opportunities for daily synchronous instruction for grades TK through three, daily live interaction and at-least weekly synchronous instruction for grades four through eight, and at-least weekly synchronous instruction for grades nine through twelve. Participation in the synchronous instruction and daily live interaction are optional but highly encouraged for learners. If a learner does not participate in these optional offerings letters/emails will be sent encouraging learners to attend in order for the school to be in compliance with tiered reengagement.

ORDERING TECHNOLOGY WITH INSTRUCTIONAL FUNDS

Technology items can be purchased with instructional funds. Families should be aware of the potential benefits and risks that come with technology use. Please contact your Educational Facilitator for further information on purchasing electronics.

The right to use a school computer at home is a privilege. If learners do not adhere to the rules and guidelines in this Guidebook, the privilege to use their school computer/tablet/electronic device at home may be restricted or eliminated. An Equipment and Technology agreement form must be signed before the EF can place the technology order.

I. Hardware and Software

A. In the box

- Computer/Electronic Device
- Power supply

B. On the device

- Operating System software

C. Backup and file storage

- Files are not backed up.
- Computers: Learners need to keep 1/3 of the hard drive space free at all times for optimal operation.

D. Software support

- First avenue of support – Application’s help system (online, email, in person)
- Second avenue of support – Google
- Third avenue of support – iLEAD Tech Support

II. Learner and Parent/Guardian Responsibilities

By allowing learners to use a school-owned electronic device at home, families assume some risk. Parents/Guardians will be responsible for making sure repairs are done and paid for (beyond warranty) or replacement is made in the event of theft, loss or damage due to intentional or unintentional abuse or misuse.

A. Handling and care of the device

- Keep the electronic device in a protective case.
- Use the electronic device on a flat, stable surface.
- Do not set books on top of the electronic device.
- Avoid carrying the electronic device with the screen open.
- Be careful not to leave pencils or pens or papers on the keyboard when closing the screen.
- Do not pick up the electronic device by the screen.
- Do not have food or drink around the electronic device.
- Cleaning – wipe surfaces with a clean, dry, and soft cloth.
- Avoid touching the screen with fingers, pens, or pencils.
- If hands are dirty, wash them before using the electronic device.
- Do not use the electronic device in a dusty or dirty environment.
- Do not leave the electronic device exposed to direct sunlight or near heat or moisture sources.
- Do not leave the electronic device in a car (heat, theft).

B. Power management

- It is the learner’s responsibility to recharge the device’s battery.
- Whenever the electronic device is not in use, close the screen to put it to sleep in order to extend battery life.

C. Transport

- Electronic devices should be transported closed and in their protective case.
- Do not leave the electronic device in a vehicle. Many devices are stolen this way plus heat can be very damaging.

D. Ethical and appropriate use

Technology is intended for instructional use and school-related business. It is not intended for commercial use. Users will not engage in unauthorized activities. Any unauthorized activities will result in immediate termination of use and the electronic device must be returned immediately. These include, but are not limited to:

- Accessing data for which users do not have privilege.
- Knowingly deploying viruses.
- Violating copyright laws (music, photos, software) or the privacy rights of others.
- Plagiarism
- Learners will not create, access, download, view, store or print content that:

- Depicts profanity, obscenity, use of weapons, or violence.
- Promotes use of tobacco, drugs, alcohol, or other illegal or harmful products.
- Contains sexually explicit or suggestive material.
- Contains rude, disrespectful, or discourteous expressions inconsistent with civil discourse or behavior.

E. Financial responsibility

- Families are responsible for replacement and/or repair costs.

F. If electronic device is lost, stolen, or damaged:

- If lost, stolen, or damaged, please notify the school immediately.
- If the electronic device is lost or stolen, a police report is required for coverage.
- If damaged, submit a ticket through iLEAD Tech Support to use the school purchased warranty for damages (if applicable) or technical issues. For damage beyond the warranty, or if warranty has expired, the family is responsible for that cost. For damage beyond normal wear and tear, the family must pay to fix or replace the device. Any costs for repair that are not covered under warranty are the responsibility of the family. If the item is under warranty, the family is responsible for any copay. Failure to pay the repair in a timely manner may mean the learner loses the privilege to have the electronic device.

G. Monitoring and supervision

- The electronic device should be used in a location where use can be monitored and supervised by a parent/guardian. Unsupervised use is strongly discouraged (e.g. use in a child's bedroom).
- Use of the electronic device by other family members is not allowed unless listed on the agreement.
- Learners should not allow other learners to borrow their electronic device because they are ultimately responsible for that device.

H. Internet access at home

- Learners are allowed to access the internet using broadband or wireless connection.
- While internet filters provide an important level of protection, no filter program provides 100% protection. Monitoring and supervision are still very important.

SECTION 7: POLICIES AND PROCEDURES

ACCELERATION AND RETENTION PROCEDURES

Learners are expected to progress through each grade within one year. In unique circumstances, learners may be considered for acceleration or retention. The acceleration and retention process involves parents/guardians, credentialed teachers, counselors, and administrators who carefully review the learner's progress, testing results, academics, and social-emotional needs to make a final decision that is in accordance with state law and board policies. The decision to accelerate or retain a learner is a joint decision between the student study team (including the parent/guardian of the learner) and the school/program director or designee. If a consensus cannot be reached, the final decision resides with the school/site director or designee according to the Board's Acceleration and Retention policy.

ATTIRE

We do lots of walking, running, sitting on the carpet, art, etc. Therefore, our parents/guardians and learners have found that loose-fitting, comfortable clothing and closed-toed sneakers or comfortable walking shoes work best at our school. Distracting clothing is discouraged and although we do not wish to limit our learners' freedoms by imposing guidelines we will contact the parents/guardians to inform them about the inappropriate choice of clothing when necessary.

COMPLAINT PROCEDURE

It is always our intent to resolve concerns in the simplest manner for all. If a parent/guardian has a classroom concern, it is expected that they will try to resolve the concern with the classroom facilitator. If the concern is not resolved, please bring your concern to the school administration. Every effort will be made to find a fair resolution through a personal conference or a meeting between the parties involved.

EMERGENCY AND HEALTH PROCEDURES

Emergency Medical Authorization

Each parent/guardian is asked to complete the Emergency Medical Authorization portion of the Enrollment/Information Form and Emergency Contact Information. These forms will include the necessary information the school must have should an emergency arise. It is extremely important that the authorization and Emergency Contact Information be fully completed. If there are any updates to the Emergency Medical Authorization during the year, email Registrar@ileadlancaster.org.

LEARNER MEDICATIONS ASSISTANCE

If your learner requires emergency or other medications (such as an inhaler, epi-pen, or oral medication), it must be prescribed by a doctor and will be kept in a locked compartment in the front office. A parent/guardian or guardian must complete a Request for Assistance Concerning Learner Medications

form prior to the learner attending classes at iLEAD Lancaster Charter School. This form is available in the front office or on the iLEAD Lancaster Charter School website at: www.ileadlancaster.org

Confidentiality of Medical Information Act

School linked service coordinators will have access to health care information which complies with federal health insurance requirements. The coordinator must be credentialed and serve with confidentiality requirements per licensed school nurses, marriage and family therapists, educational psychologists, and clinical counselors.

Emergency Treatment for Anaphylaxis

Anaphylaxis is a severe and potentially life-threatening allergic reaction that can occur after encountering an allergic trigger, such as food, medicine, an insect bite, latex or exercise. Symptoms include narrowing of the airways, rashes or hives, nausea or vomiting, a weak pulse and dizziness. It is estimated that approximately 25% of the anaphylactic reactions occur during school hours to learners who had not previously been diagnosed with a food or other allergy. Without immediate administration of epinephrine followed by calling emergency medical services, death can occur. Being able to recognize and treat it quickly can save lives. Recent changes to EC 49414 now require schools to provide epinephrine auto-injectors to school nurses and trained personnel and authorizes them to use epinephrine auto-injectors for any learner who may be experiencing anaphylaxis, regardless of known history.

Emergency Medical Care: Epinephrine Auto-Injectors

EC 49414 requires schools to provide epinephrine auto-injectors to school nurses and trained personnel and authorizes them to use epinephrine auto-injectors for any learner who may be experiencing anaphylaxis, regardless of known history. Emergency epinephrine auto-injectors must be stored in an accessible location along with a copy of written training material upon need for emergency use. Notice of location must be publicly posted.

Entrance Health Screening

State law requires that the parent/guardian of each pupil provide the school within 90 days after entrance to first grade documentary proof that the pupil has received a health screening examination by a doctor within the prior 18 months. Pupils may be excluded up to 5 days from school for failing to comply or not providing a waiver. Free health screening is available for eligible learners through the Child Health Disabilities Prevention Program.

Oral Health Assessment

Record of a dental assessment done by a dental professional is required for all kindergarteners and first graders attending public school for the first time. Dental assessments must be completed in the 12 months prior to entry or by May 31st of the pupil's first school year.

Health Care Coverage:

Your child and family may be eligible for free or low-cost health coverage. For information about health care coverage options and enrollment assistance, go to www.CoveredCA.com.

Immunizations

Learners must be immunized against certain communicable diseases. Learners are prohibited from attending school unless immunization requirements are met for age and grade. The school shall cooperate with local health officials in measures necessary for the prevention and control of communicable diseases in school age children. The school may use any funds, property, or personnel and may permit any person licensed as a physician or registered nurse to administer an immunizing agent to any learner whose parents/guardians have consented in writing. Beginning January 1, 2016, parents/guardians of learners in any school will no longer be allowed to submit a personal beliefs exemption to a currently required vaccine. A personal beliefs exemption on file at school prior to January 1, 2016 will continue to be valid until the learner enters the next grade span at kindergarten (including transitional kindergarten) or 7th grade.

Learners are not required to have immunizations if they attend a home-based private school or an independent study program and do not receive classroom-based instruction. However, parents/guardians must continue to provide immunizations records for these learners to their schools. The immunization requirements do not prohibit learners from accessing special education and related services required by their individualized education programs.

A learner not fully immunized may be temporarily excluded from a school or other institution when that child has been exposed to a specified disease and whose documentary proof of immunization status does not show proof of immunization against one of the communicable diseases described above.

Immunizations: HPV: Cancer Prevention

iLEAD Lancaster Charter School believes in the health and safety of every learner. Pupils in the state are advised to adhere to current immunization guidelines, as recommended by the Advisory Committee on Immunization Practices (ACIP) of the federal Centers for Disease Control and Prevention (CDC), the American Academy of Pediatrics, and the American Academy of Family Physicians, regarding full human papillomavirus (HPV) immunization before admission or advancement to the eighth grade level of any private or public elementary or secondary school. Per HSC 120336, "HPV vaccination can prevent over 90 percent of cancers caused by HPV. HPV vaccines are very safe, and scientific research shows that the benefits of HPV vaccination far outweigh the potential risks."

Menstrual Products

iLEAD Lancaster Charter School supports period equity and now provides free and accessible menstrual products, in all women's restrooms and all-gender restrooms, and in at least one men's restroom at schools serving grades 3 to 12. Notice of this service is required to be posted in a prominent and conspicuous location in every restroom where menstrual products, available and accessible, free of cost, are required to be stocked. The posted notice will contain the name, email and phone of the person responsible for maintaining this supply at this school site.

Physical Examination

A parent/guardian may file annually with the school director a written statement, signed by the parent/guardian, withholding consent to a physical examination of the pupil. However, whenever there is good reason to believe that the pupil is suffering from a recognized contagious or infectious disease, the pupil shall be sent home and shall not be permitted to return until school authorities are satisfied that the contagious or infectious disease no longer exists.

Disease Prevention Strategies

The following procedures should be followed to promote everyday disease prevention strategies according to the Department of Education (<https://www.ed.gov/coronavirus>):

- If you are sick or feeling unwell, stay home.
- Avoid close contact with those who are already sick.
- Cover your nose and mouth when coughing or sneezing with a tissue or the crook of your arm.
- Wash your hands often with soap and water.
- Avoid touching eyes, nose, or mouth.

Pupil Safety: Parental Notification: Synthetic Drugs

Our school is committed to the safety of all our learners. Although the long-term effects of many synthetic drugs on physical and mental health are not yet known, immediate effects on a learner's education, family, and life could be long-lasting. A synthetic drug is a drug with properties and effects similar to a known hallucinogen or narcotic but with a slightly altered chemical structure created to evade existing restrictions against illegal substances. These drugs may include synthetic cannabinoids, methamphetamines, bath salts, and fentanyl. Illicit fentanyl can be added to other drugs to make them cheaper, more powerful, and more addictive and has been found in heroin, methamphetamine, counterfeit pills, cocaine and other drugs. Fentanyl mixed with any drug increases the likelihood of a fatal overdose. Unless tested, it is difficult to tell if drugs have been laced with fentanyl because it cannot be seen, smelled, or tasted. Additional information regarding fentanyl is available from the [CDPH's Substance and Addiction Prevention Branch](#).

Sudden Cardiac Arrest

Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. When this happens, blood stops flowing to the brain and other vital organs. SCA is not a heart attack; it is a malfunction in the heart's electrical system, causing the victim to collapse. The malfunction is caused by a congenital or genetic defect in the heart's structure. SCA is more likely to occur during exercise or sports activity, so athletes are at greater risk. These symptoms can be unclear and confusing in athletes. Often, people confuse these warning signs with physical exhaustion. If not properly treated within minutes, SCA is fatal in 92 percent of cases. In a school district, charter school, or private school that elects to conduct athletic activities, the athletic director, coach, athletic trainer, or authorized person must remove from participation a pupil who passes out or faints, or who is known to have passed out or fainted, while participating in or immediately following an athletic activity. A pupil who exhibits any of the other symptoms of SCA during an athletic activity may be removed from participation if the athletic trainer or authorized person reasonably believes that the symptoms are cardiac related. A pupil who is removed from play may not return to that activity until they are evaluated by, and receive written clearance from, a

physician or surgeon. On a yearly basis, an acknowledgement of receipt and review of information regarding SCA must be signed and returned by the pupil and the pupil's parent/guardian or guardian before a pupil participates in specific types of athletic activities which generally does not apply to those conducted during the regular school day or as part of a physical education course.

Medical or Hospital Service

The school does not provide or make available medical and hospital services for learners who are injured in accidents related to school activity or attendance.

EMERGENCY PROCEDURES

Drills

Emergency drills, such as earthquake and fire drills are conducted during the school year. Drills are serious practice so that everyone will be prepared should an emergency occur. Procedures are reviewed with all staff who teach them to learners.

If an emergency occurs during regular school hours, learners will be directed by their facilitator to follow emergency procedures for the specific event. If an emergency occurs when the learners are not on-site, learners will be directed to the supervising aid, parent/guardian volunteer or other school staff member. These supervisors will call iLEAD Lancaster Charter School to provide an update and next steps.

Actual Emergency

If an emergency extends beyond the end of the school day, learners will not be released until it has been determined that it is safe to do so. In the case of an emergency, parents/guardians or an emergency contact are expected to sign learners out, regardless of grade.

If damage is extensive, we ask that you park your car away from the valet areas and walk to the designated location to pick up your child. It is important to keep any lanes open for emergency vehicles only.

When you arrive at the school, an emergency response team (made up of public servants, staff and volunteers) will direct you to the appropriate check out area to sign out your child. If the school building is not considered safe, learners will be congregated in the parking lot away from all buildings. A phone message will be sent to your primary phone number with directions on where to pick up your child. Please do not leave the school.

School Safety Plan

A Comprehensive School Site Safety Plan has been adopted at iLEAD Lancaster Charter School, which includes a plan for disaster preparedness, emergency procedures and assessment and response to reports of dangerous, violent, or unlawful activities conducted or threatened to be conducted at school, a school activity or on a school bus. This plan is available upon request from the school office.

FACILITATOR QUALIFICATIONS

Parents/Guardians may request the following regarding their child's facilitator(s):

- Licensure and certification information
- Emergency or provisional teaching certificate
- Educational background
- Qualifications of Instructional Aides (if applicable)

STUDENT RECORDS

A cumulative record, whether recorded by handwriting, print, or other means, must be maintained on the history of a pupil's development and educational progress. The School will protect the privacy of such records. Parents/Guardians have the right to 1) inspect and review the pupil's educational record maintained by the school, 2) request that a school correct records which they believe to be inaccurate or misleading, and 3) have some control over the disclosure of information from educational records. School officials with legitimate educational interests may access pupil records without parental/guardian consent as long as the official needs to review the records in order to fulfill their professional responsibility. Upon request from officials of another school district in which a pupil seeks or intends to enroll, the school shall disclose educational records without parental/guardian consent.

A parent/guardian's request to access their pupil's educational records must be submitted in a written form to and the school will have five (5) business days from the day of receipt of the request to provide access to the records. Copies of pupil records are available to parents/guardians for a fee of per page.

Any challenge to school records must be submitted in writing to the School Director, Deborah Autrey. A parent/guardian challenging school records must show that the records are 1) inaccurate, 2) an unsubstantiated personal conclusion or inference, 3) a conclusion or inference outside the observer's area of competence, 4) not based on the personal observation of a named person with the time and place of the observation noted, 5) misleading, or 6) in violation of the privacy or other rights of the pupil.

FERPA: The Family Educational Rights and Privacy Act (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents/guardians certain rights with respect to their children's education records.

For more information on FERPA, visit the U.S. Department of Education's website at: <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>

"Directory Information" includes one or more of the following items: learner's name, address, telephone number, e-mail address, date of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent public or private school attended by the learner. The Family Educational Rights and Privacy Act (FERPA) and Education Code 49073 permits schools to disclose appropriately

designated “directory information” without written consent, unless you have advised the school that you do not want your student’s directory information disclosed without your prior written consent. If you do not wish to have any directory information released to any individual or organization please contact Registrar@ileadlancaster.org.

Pupil Records Obtained from Social Media: The school may gather information in the forms of video, photograph, blog, texts, and emails, to maintain school and learner safety. All social media information gathered will be destroyed within one year after the learner turns 18 years or older one year after the learner is no longer enrolled, whichever comes first.

SERVICES TO DISABLED PUPILS

If a parent/guardian has reason to believe their learner has a disability requiring special services or accommodations, contact the learner’s facilitator. The learner will be evaluated to determine whether they are eligible for free special or modified instruction or services. The school has policies guiding procedures for identification and referral. Learners identified with special needs will receive a Free Appropriate Public Education (FAPE) in the least restrictive environment. Certain special education services can only be provided while the learner is in the state of California. Please contact the case manager or school office if you will be out of state.

Child Find System

Under state law, each public school system is responsible to find children with disabilities in its area Free Appropriate Public Education (FAPE) - Each public school system is responsible for ensuring that each child with disabilities is served appropriately, at no expense to the parent/guardian in the least restrictive environment.

Instruction for Pupils with Temporary Disabilities

A learner with a temporary disability which makes attendance in the regular day classes or the alternative educational program in which the learner is enrolled impossible or inadvisable may receive individualized instruction provided through independent study, as outlined in the independent study policy. Please contact Registrar@ileadlancaster.org for further information. Charter schools are not allowed to provide Home Hospital.

A learner with a temporary disability, who is in a hospital or other residential health facility, excluding a state hospital, may be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located. It is the responsibility of the parent/guardian to notify the school district in which the hospital or other residential health facility is located of the presence of a learner with a temporary disability. Upon receipt of the notification, the district will within five working days determine whether the learner will be able to receive individualized instruction pursuant to EC 48206.3 and, if so, provide the instruction within five working days or less.

A learner with a temporary disability may remain enrolled in the district of residence or charter school and may attend regular classes when not confined to the hospital setting, the total days of instruction

may not exceed the maximum of five days with both school settings and attendance may not be duplicated. If necessary, the district of residence may provide instruction in the home for the days not receiving instruction in the hospital setting, depending upon the temporary doctor orders. The supervisor of attendance shall ensure that absences from the regular school program are excused until the pupil is able to return to the regular school program. An honorary high school diploma which is clearly distinguishable from the regular diploma of graduation may be awarded to a learner who is terminally ill, from the resident governing school board, a county office of education or a charter school.

In order to reduce suicidal behavior and its impact on learners and families, the Director(s) or designee have developed preventive strategies, intervention and postvention procedures. The purpose of this policy is to protect the health and well-being of all learners by having procedures in place to prevent, assess the risk of, intervene in, and respond to suicide.

In order to initiate access to available pupil mental health services, you may contact the following mental health provider: Jose Gonzalez at 661-722-4287. Our school will notify parents/guardians at least twice per year. This is one time through our Annual Notifications, we will also notify you again a second time each school year, by the following means: Back to School August-September and Learner Led Conferences April-June.

A minor who is 12 years of age or older may consent to mental health treatment or counseling services if the minor is mature enough to participate intelligently in the outpatient services or counseling

services. The professional person treating or counseling the minor is required to consult with the minor before determining whether involvement of the minor's parent or guardian would be inappropriate. These service providers can bill Medi-Cal as appropriate.

FIELD STUDIES

Throughout the school year, learners will take many trips, often planned through facilitator and parent/guardian collaboration. These trips are a part of iLEAD Lancaster Charter School's project-based curriculum and may include walking trips, trips by private or school vehicles, and buses. Participation is a vital part of the learning process and is strongly encouraged.

A walking field trip permission slip is completed as part of the enrollment packet. Signing the form indicates you have granted your child permission to participate in iLEAD Lancaster Charter School's ongoing walking field trip program throughout the school year. Facilitators will not send home trip slips for each individual walking field trip.

Field Trip Permission Slips will be required for all non-walking field trips. Learners must have a permission slip on file in order to participate in a field trip.

Approved volunteers* are encouraged to accompany your child's class on a field trip, please let the facilitator know in advance. We appreciate all volunteers for trips. *See Family Expectations for information on the volunteer process.

MISCELLANEOUS POLICIES

Harm or Destruction of Animals

Any pupil with a moral objection to dissecting or otherwise harming or destroying an animal, or any part thereof, must inform their facilitator of the objection. Objections must be substantiated by a note from the pupil's parent/guardian.

A pupil who chooses to refrain from participation in an education project involving the harmful or destructive use of an animal may receive an alternative education project, if the facilitator believes that an adequate alternative education project is possible. The facilitator may work with the pupil to develop and agree upon an alternative education project so that the pupil may obtain the knowledge, information, or experience required by the course of study in question.

Surveys

Our school will not use tests, questionnaires, surveys or examinations containing any questions about the pupil's personal beliefs or practices in sex, family life, morality, and religion, unless the parent/guardian is notified in writing that the test, questionnaire, survey, or examination is to be administered and the parent/guardian consents in writing.

Civility on School Grounds

All school staff, learners, and parents/guardians are required to be civil in all of their interpersonal school-related interactions. Civility does not require unqualified agreement or conformity of opinion. Under no circumstances will uncivil conduct at any school-related activity be tolerated. For purposes of

this guidebook, to be civil means to act with self-discipline in a courteous, respectful and orderly way in every interpersonal communication and behavior. It also means that a person will treat other persons as he or she would like to be treated. Uncivil conduct includes, but is not limited to: using an inappropriately loud voice; using profane, vulgar, or obscene words or gestures; belittling, jeering, or taunting; using personal epithets; using violent or aggressive gestures or body-language; repeatedly and inappropriately interrupting another speaker; repeatedly demanding personal attention at inappropriate times; purposefully and inappropriately invading personal space; purposefully ignoring appropriate communications; wrongfully interfering with another person's freedom of movement; wrongfully invading another person's private possessions; or, any other behavior that inappropriately disrupts school-related activities. An expression of disagreement or a discussion of a controversial viewpoint is not uncivil if such expression or discussion is appropriately presented and does not disrupt a school-related activity.

Any school staff who are uncivil shall be subject to disciplinary action. Any learner that is uncivil shall be subject to disciplinary action. In the event that any learner's parent/guardian is uncivil during a school-related activity, school staff to whom the incivility is directed shall immediately warn the parent/guardian to communicate or act civilly. If the parent/guardian fails to correct the uncivil behavior as directed, the affected school staff shall notify the parent/guardian that the school activity is terminated, and the affected school staff shall refer the matter to the school director or designee for further administrative or legal action, which may include, but may not be limited to, a prohibition from any further participation in school-related activities.

Any person who willfully disturbs any public school or any public school meeting is guilty of a misdemeanor, and shall be punished by a fine of not more than five hundred dollars (\$500). It is unlawful for any person, except a parent/guardian acting toward their minor child, to intentionally or to attempt to injure, intimidate, interfere by force, threat of force, physical obstruction, or nonviolent physical obstruction with any person attempting to enter or exit any public or private school grounds.

Child Abuse and Neglect Reporting

iLEAD Lancaster Charter School is committed to protecting all learners in its care. All employees are considered mandated reporters, required by law to report cases of child abuse and neglect whenever there is reasonable suspicion abuse or neglect has occurred. School employees may not investigate to confirm a suspicion.

All complaints must be filed through a formal report, over the telephone, in person, or in writing, with an appropriate local law enforcement agency (*i.e.*, Police or Sheriff's Department, County Probation Department, or County Welfare Department/County Child Protective Services). Both the name of the person filing the complaint and the report itself are confidential and cannot be disclosed except to authorized agencies.

Custody Issues

Custody disputes must be handled by the courts. The school has no legal jurisdiction to refuse a biological parent/guardian access to their child and/or school records. The only exception is when signed restraining orders or proper divorce papers, specifically stating visitation limitations, are on file in the

school office. Any learner release situation which leaves the learner's welfare in question will be handled at the discretion of the site administrator or designee. Should any such situation become a disruption to the school, law enforcement will be contacted and an officer requested to intervene. Parents/Guardians are asked to make every attempt not to involve school sites in custody matters. The school will make every attempt to reach the custodial parent/guardian when a parent/guardian or any other person not listed on the emergency card attempts to pick up a child.

Electronic Listening or Recording Device

The use by any person, including a learner of any electronic listening or recording device in any classroom without the prior consent of the facilitator and the school director is prohibited as it disrupts and impairs the teaching process and discipline in the schools. Any person, other than the learner willfully in violation shall be guilty of a misdemeanor. Any learner in violation shall be subject to appropriate disciplinary action.

Gun-Free School Zone Act

California prohibits any person from possessing a firearm on, or within 1,000 feet from, the grounds of a public or private school, unless it is with the written permission of the school Director. This does not apply to law enforcement officers, any active or honorably retired peace officers, members of the military forces of California or the United States, or armored vehicle guards engaged in the performance of, or acting in the scope of, their duties. A person may also be in possession of a firearm on school grounds if the firearm is unloaded and in a locked container or within the locked trunk of a motor vehicle. A violation of this law is punishable by imprisonment in a county jail for up to six months, a fine of up to \$1,000, or both imprisonment and fine.

Gun Safety

This is a reminder that firearms are to be safely stored away from children and teens. The accidental shooting of children and youth is the third leading cause of death, following accidents and suicide. California public schools are mandated to remind families to keep their home safe from such potential dangers. If there is a threat or perceived threat, then the public schools will cooperate with local law enforcement to conduct an immediate threat assessment.

Title IX

Title IX of the Education Amendments of 1972 is one of several federal and state anti-discrimination laws that ensure equality in educational programs and activities that receive federal funding. Specifically, Title IX protects male and female pupils and employees, as well as transgender pupils and pupils who do not conform to sex stereotypes, against discrimination based on sex, including sexual harassment. California law also prohibits discrimination based on gender, gender expression, gender identity, and sexual orientation. Under Title IX, pupils may not be discriminated against based on their parental/guardian, family, or marital status, and pregnant and parenting pupils may not be excluded from participating in any educational program, including extracurricular activities, for which they qualify. For more information about Title IX, or how to file a complaint of noncompliance with Title IX, contact: Deborah Autrey, School Director, 254 East Ave K 4 Lancaster CA 93535, deborah.autrey@ileadlancaster.org, 661-722-4287.

Property Damage

Parents/Guardians may be held financially liable if their child willfully damages school property or fails to return school property loaned to the child. The school may further withhold the grades, diploma, and transcript of the pupil until restitution is paid.

Williams Complaint Policy & Procedure

Every school must provide sufficient instructional materials. Every learner, including English learners, must have instructional materials to use at home or after school. School facilities must be clean, safe, and maintained in good repair. There should be no facilitator vacancies or misassignments. If a school is found to have deficiencies in these areas, and the school does not take corrective action, then a complaint form may be obtained at https://ileadlancaster.org/wp-content/uploads/2020/02/charter_school_complaint_lancaster.pdf.

Parents/Guardians, learners, facilitators or any member of the public may submit a complaint regarding these issues. However, it is highly encouraged that individuals express their concerns to the school director before completing the complaint forms to allow the school to respond to these concerns.

SECTION 9: FAMILIES AND iLEAD LANCASTER CHARTER SCHOOL WORKING TOGETHER

FAMILY PARTICIPATION EXPECTATIONS

iLEAD Lancaster Charter School seeks to make education a community passion. To this end, parent/guardian participation is essential to the success of the education process. Parents/Guardians are strongly encouraged to participate in the operation of the school as an integral part of the staffing and support team and with the charter staff in the development and successful completion of the individual learning plan for your child. The school encourages the participation of parents/guardians for increased parental involvement, but it is not a requirement for acceptance to, or continued enrollment at, school.

It is because of families like you that we are able to offer such a unique program for our children here at iLEAD Lancaster Charter School.

Volunteering and participation are always optional. We do strongly encourage participation in order to foster the home-school connection and work tirelessly to create a culture where families feel welcome to come onto campus often, but of course, we understand that is not an option for every family. If possible, families are asked to participate 40 hours per year, which works out to 1 hour per week or 4 hours per month. These hours can be earned through a variety of opportunities intentionally designed to accommodate a range of schedules and ability to participate, including classroom volunteering, operational / facilities assistance, relevant professional expertise, administrative tasks or by attending Parent University workshops and seminars.

See the Volunteering page for a list of volunteer needs, and watch the Monday Message for current volunteer needs at: Registrar@ileadlancaster.org.

Families having difficulties meeting the participation commitment should contact Registrar@ileadlancaster.org.

Hours completed off campus or by learner volunteers can be emailed to Registrar@ileadlancaster.org.
