By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

<https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

About Our School

Welcome to iLEAD Lancaster Charter!

iLEAD Lancaster Charter is a tuition-free, public charter that educates learners in grades TK-8. Our school offers a learner-centered approach to education that focuses on project-based learning, social-emotional learning, and individualized learning principles that adhere to the Common Core Standards.

iLEAD Lancaster Charter's Schoolwide Learner Outcomes were carefully selected to develop the whole child with a focus on academic and social-emotional learning. These include Lifelong Learner, Empathetic Citizen, Authentic Individual, and Design Thinker.

Through open, fun learning environments that include a Makery and hands-on STEAM activities, it is our goal to build an engaging educational experience based on standards with a focus on your child's unique strengths and playful love of learning.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Preparation and Placement (School Year 2020–21)

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	19.90	49.37%	521.20	78.33%	228366.10	83.12%

School Facility Conditions and Planned Improvements

iLEAD Lancaster makes great efforts to ensure that its facilities are clean, safe, and functional. To assist in this effort, iLEAD Lancaster uses a facility survey instrument developed by the State of California OPSC. The results of this survey are available at the school office. Using the Facility Inspection Tool (FIT), the school's overall condition was rated as good in November 2024. The school's systems, interior, cleanliness, electrical, restrooms/fountains, safety, structural, and external systems were rated as good.

School Facility Good Repair Status

Using the **most recently collected** Facility Inspection Tool (FIT) data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 2023

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes assessments for English language arts/literacy [ELA], mathematics, and science for students in the general education population and the California Alternate Assessment [CAA]. Only eligible students may participate in the administration of the CAA. CAA items are aligned with alternate achievement standards, which are linked with the Common Core Standards [CCSS] or California Next Generation Science Standards [CA NGSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAA for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAA for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAA for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students taking and completing state-administered assessments Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Mathematics (grades 3-8 and 11)	10%	11%	13%	13%	34%	35%

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAA divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2024–25)

At iLEAD Lancaster, parents/guardians serve many important roles in the day-to-day operations of the school, as well as the strategic planning and overall vision of the school community. As families enroll, they must understand the components of the program model. iLEAD Lancaster makes accommodations to meet the unique schedules of parents/guardians to ensure every opportunity for them to attend an orientation meeting where they can have questions answered and/or connect with other families who have learners already enrolled in the program.

Parents/guardians are regularly informed about school events, volunteering opportunities, special committees, parent meetings, and other pertinent information through the Monday Message, a weekly publication that is sent out to all families, as well as through Parent Square, a digital newsletter for families. Facilitators also communicate with their families regularly through various forms of communication (emails, phone calls, etc.).

Families have the opportunity to be elected to or attend the School Site Council, ELAC, join iSUPPORT, provide feedback on the annual LCAP, and attend public board meetings

Parents/guardians are strongly encouraged to volunteer at iLEAD Lancaster. Completion of volunteer hours, however, is not a prerequisite for enrollment at iLEAD Lancaster. The school director maintains a comprehensive list of volunteer opportunities including, but not limited to: volunteering in the classroom/school (including at-home assistance), tutoring, attending parent-teacher conferences, attendance at board meetings or any applicable parent group functions, fundraising events, and/or assistance with schoolwide programs, events and activities.

For more information on how to be involved, please email info@iLEADlancaster.org.

School Safety Plan (School Year 2024–25)

It is the vision of iLEAD Lancaster to provide a safe learning environment for all of its learners, staff, and families. It is a place where learners feel welcomed and comfortable so learning is the central focus. A Comprehensive School Safety Plan helps to ensure a safe environment for each learner's academic and social-emotional learning to occur. Developing and maintaining the plan enables school staff to respond quickly and knowledgeably in the case of an incident or emergency. The plan identifies the roles of staff, faculty, learners, and other key stakeholders including their respective responsibilities before, during, and after an incident. The safety plan includes general policies and procedures for handling safety and specific emergency situations including earthquakes, fire, and active shooter scenarios. It also includes information on child abuse reporting, sexual harassment, and discipline. This plan provides parents and other community members with the assurance that iLEAD Lancaster has developed and established guidelines and procedures to respond to an incident or a hazard in an organized, systematic method to prevent, prepare for, respond to, and recover from an incident. The Comprehensive School Safety Plan:

1. Protects the safety and welfare of learners and staff.
2. Provides for a safe and coordinated response to emergency situations.
3. Protects facilities and property, allowing the school to restore normal conditions with minimal confusion in the shortest amount of time possible.
4. Provides for coordination between the school and local emergency services when necessary.

Lastly, the school's digital safety is equally important. The Learner/Family Guidebook outlines the school's technology policies. The school works to keep current with digital safety best practices and provides frequent education to learners, families, and staff in this area.

The School Site Council met in the fall of 2024 to review and discuss the CSSP and make recommendations for improvements. The Comprehensive School Safety Plan was last reviewed and updated in fall of 2024 and is stored on campus. The school's governing board also reviews the CSSP and approves it annually.

Types of Services Funded (Fiscal Year 2023–24)

Local Control Funding Formula (LCFF) base and supplemental funds are utilized as outlined in the Local Control Accountability Plan (LCAP) to ensure that all learners receive the basic, intervention/enrichment support, and services that are needed to help them become proficient in academic and social-emotional learning. The LCAP also details the actions associated with meeting the specific needs of English learners, foster and homeless youth, and low-income learners. State and federal categorical funding is used to support learners in special education with IEP needs and goals. Title I, II, and IV funding is used to enhance schoolwide academic programming, staff training, and promote well-rounded learning. Title funding is monitored by the School Site Council through the School Plan for Student Achievement (SPSA). One-time funding sources are utilized to complement and add additional services to support at-risk learners, and interventions, and to prevent, prepare and/or respond to COVID-19 needs.

The school ensures all educational partners have the opportunity to provide input on the annual LCAP and SPSA to ensure that spending aligns with school community needs. The school’s LCAP and SPSA can be found on its website.
